ASX ANNOUNCEMENT

McCloskey Coal Conference Presentation

New Age Exploration Limited (“NAE”) is pleased to announce that Managing Director, **Gary Fietz**, will be presenting at the IHS McCloskey Coal Conference of the Americas 2012, to be held on 14th – 15th March, Hilton Cartagena, Cartagena, Colombia.

As an emerging coal explorer looking to transition to producer, NAE was pleased to accept the invitation to present at McCloskey Coal Conference, as it continues to build on its presence in Colombia, with the development of its portfolio of coking and thermal coal assets.

The presentation is available to view on the Company’s website.
