PROXY AND VOTING INSTRUCTIONS

Proxy Instructions

A member who is entitled to vote at a meeting may appoint:

- (a) one proxy if the member is only entitled to one vote; and
- (b) one or two proxies if the member is entitled to more than one vote.

Where more than one proxy is appointed each proxy may be appointed to represent a specific proportion of the member's voting rights. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes in which case any fraction of votes will be disregarded.

The proxy form (and the power of attorney or other authority, if any, under which the proxy form is signed) or a copy or facsimile which appears on its face to be an authentic copy of the proxy form (and the power of attorney or other authority) must be lodged at the registered office of the Company or sent by facsimile transmission to the Company's registered office on 03 9614 5612 not less than 48 hours before the time for holding the Meeting, or adjourned meeting as the case may be, at which the individual named in the proxy form proposes to vote.

The proxy form must be signed by the member or his/her attorney duly authorised in writing or, if the member is a corporation, in a manner permitted by the Corporations Act. A proxy given by a foreign corporation must be executed in accordance with the laws of that corporation's place of incorporation.

The proxy may, but need not, be a member of the Company.

A proxy form is attached to this Notice.

If you sign the proxy form and do not appoint a proxy, you will have appointed the Chair of the meeting as your proxy. In that case, your shares will not be voted on Resolution 1 (Remuneration Report) unless you direct the Chair how to vote by marking the appropriate box on the proxy form or otherwise indicate your express consent to the Chair voting your votes on Resolution 1.

Corporate Representatives

Any corporation which is a member of the Company may authorise (by certificate under common seal or other form of execution authorised by the laws of that corporation's place of incorporation, or in any other manner satisfactory to the chairperson of the Meeting) a natural person to act as its representative at any general meeting.

Voting Entitlement

For the purposes of the Corporations Act and Corporations Regulations shareholders entered on the Company's Register of Members as at 7.00pm, 6 November 2013 (Melbourne, Victoria time) are entitled to attend and vote at the meeting.

On a poll, members have one vote for every fully paid ordinary share held. Holders of options are not entitled to vote.

How the Chair Will Vote Undirected Proxies

The Chair of the meeting will vote undirected proxies on, and in favour of, all of the proposed resolutions. However, any undirected proxies held by the Chair of the meeting will not be voted on Resolution 1 unless the express consent of the shareholder is given in the proxy appointment.

Proxies that are Undirected on Resolution 1

If you appoint the Chair of the meeting as your proxy (or if he may be appointed by default) and do not either (a) direct the Chair how to vote on Resolution 1 or (b) provide your express consent to the Chair voting your undirected proxy on Resolution 1; the Chair will not vote your proxy on those items of business. Accordingly, if you appoint the Chair of the meeting as your proxy (or if he may be appointed by default) and you want your shares to be voted on that item of business, you should either (a) direct the Chair how to vote on Resolution 1 (Remuneration Report); or (b) tick the box on the proxy form to confirm your consent to the Chair voting your undirected proxy on Resolution 1.

Other directors of the Company, any other of its key management personnel or any of their closely related parties will not be able to vote undirected proxies held by them on Resolution 1. Key management personnel of the Company comprise the directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly.

The Remuneration Report identifies key management personnel for the year ending 30 June 2013. Their closely related parties are defined in the Corporations Act 2001 (Cth) and include specified family members, dependents and companies they control.

2013 ANNUAL GENERAL MEETING

EXPLANATORY MEMORANDUM

PURPOSE OF INFORMATION

This Explanatory Memorandum ("this Memorandum") accompanies and forms part of the Company's Notice of the 2013 Annual General Meeting to be held at the Institute of Chartered Accountants, Level 3, 600 Bourke Street, Melbourne, 3000 on 8 November 2013 at 10.00am (Melbourne, Victoria time).. The Notice of 2013 Annual General Meeting incorporates, and should be read together with, this Memorandum.

2013 Annual Financial Statements

The 2013 Annual Financial Statements, comprising the Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2013 will be laid before the meeting. There is no requirement for shareholders to approve the Annual Financial Statements. However, shareholders will have the opportunity to ask questions about or make comments on the 2013 Annual Financial Statements and the management of the Company. A representative of the auditor will be invited to attend to answer questions about the audit of the Company's 2013 Annual Financial Statements.

The Company's 2013 Annual Financial Statements are set out in the Company's 2013 Annual Report which can be obtained from the Company's website, www.nae.net.au or upon request to the Secretary at the Company's registered office, Level 17, 500 Collins Street, Melbourne, Victoria, 3000 (telephone (03) 9620 9931).

Resolution 1 – Adoption of Remuneration Report

The Company is required, pursuant to the Corporations Act 2001, to propose a non-binding resolution regarding the Remuneration Report, which forms part of the Directors' Report in the Annual Financial Statements. The Remuneration Report sets out the Company's remuneration arrangements for directors.

Shareholders attending the 2013 Annual General Meeting of the Company will have an opportunity to discuss and put questions in respect of the Remuneration Report. In addition, shareholders will be asked to vote on the Remuneration Report.

This resolution is advisory only and does not bind the Company or its directors. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings ("AGMs"), shareholders will be required to vote at the second of those AGM's on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than the Managing Director and CEO) must be put up for re-election. The vote on the Remuneration Report contained in the Company's 2012 Annual Financial Statements was passed with the support of more than 75% of votes thus a spill resolution will not be required in the event that 25% or more of votes that are cast are against the adoption of the 2013 Remuneration Report. However, in the event that 25% or more of votes that are cast are against the adoption of the 2013 Remuneration Report, shareholders should be aware that if there is a 'no' vote of 25% or more at the same resolution at the 2014 Annual General Meeting the consequences are that it may result in the re-election of the Board.

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you mark the box on, and submit, the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration the Company's key management personnel. By marking the box on, and submitting, the Proxy Form you will be taken to have directed the Chair of the meeting to vote in accordance with the Chair's stated intention to vote in favour of Resolution 1.

Shareholders are urged to carefully read the Proxy Form.

Resolution 2 – Re-Election of Director - Mr Gavan Rice

Pursuant to the Constitution of the Company, one-third of the Directors or, if their number is not a multiple of three, the number nearest to one-third, except the Managing Director, are required to retire by rotation at each Annual General Meeting. The Company has four directors, one of whom is the Managing Director. Accordingly, one director is required to retire by rotation at the 2013 Annual General Meeting.

Additionally, under ASX Listing Rule 14.4, a director must not hold office without re-election past the third annual general meeting following the director's appointment, or three years whichever is longer. A director who retires in accordance with these provisions is eligible for re-election.

Accordingly, Mr Gavan Rice, who was last re-elected at the Company's 2011 Annual General Meeting, retires by rotation and, being eligible, offers himself for re-election.

The non-candidate directors unanimously support the re-election of Mr Gavan Rice.

Resolution 3 – Appointment of Director - Mr Alan Broome

In accordance with the Company's Constitution a Director appointed to fill a casual vacancy will hold office until the next annual general meeting of the Company when the Director may be re-elected by shareholders.

Mr Alan Broome was appointed as a Director of the Company to fill a casual vacancy on 18 February 2013. Resolution 3 has been proposed to seek shareholder approval for Mr Broome's appointment.

Alan Broome, AM (I.Eng, F.AusIMM, FAICD, FICME, MInstD (NZ)) is a metallurgist with over 40 years' experience in mining and metals. A well-known figure in the Australian mining industry, Alan has extensive board experience, both as a director and chairman, of a number of listed and unlisted mining and mining technology companies.

Alan commenced his career as a metallurgist in the Port Kembla Steelworks before joining the Australian Coal Industry Research Laboratories, which he ran for over a decade. Over the past 20 years, Alan has had in-depth experience in coal mining, mining technology, equipment, services and research sectors, both in Australia and abroad.

The non-candidate directors unanimously support the re-election of Mr Alan Broome.

Resolution 4 – Approval of Placement Facility

Under ASX Listing Rule 7.1A certain companies may seek shareholder approval by special resolution passed at an annual general meeting to have the additional capacity to issue equity securities which do not exceed 10% of the existing ordinary share capital without further shareholder approval.

The Company obtained shareholder approval for the issue of ordinary shares under Listing Rule 7.1A at its 2012 Annual General Meeting and seeks to refresh this shareholder approval so as to continue to be able to issue ordinary shares under Listing Rule 7.1A following the 2013 Annual General Meeting.

If Resolution 4 is approved the Company may make an issue of ordinary shares under Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

- the date which is 12 months after the date of the 2013 Annual General Meeting; or
- the date on which shareholders approve a transaction under Listing Rule 11.1.2 or 11.2.

Accordingly, the approval given if this Resolution 4 is passed will cease to be valid on the earlier of 8 November 2014 or the date on which holders of the Company's ordinary securities approve a transaction under Listing Rule 11.1.2 or 11.2.

At the date of this Memorandum, the Company is an 'eligible entity', and therefore able to seek approval under Listing Rule 7.1A, as it is not included in the S&P/ASX300 and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million). If at the time of the Annual General Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

The maximum number of ordinary shares which may be issued in the capital of the Company under the approval sought by this Resolution 4 will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

$$(A \times D) - E$$

where:

- A is the number of shares on issue 12 months before the date of issue or agreement to issue:
- (i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the 12 months;
 - (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4 (this does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval);
 - (iv) less the number of fully paid shares cancelled in the 12 months.
- D is 10%
- E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1. The effect of Resolution 4 will be to allow the Company to issue ordinary shares under Listing Rule 7.1A without using the Company's 15% placement capacity under Listing Rule 7.1.

As at the date of this Memorandum, the Company has on issue 258,287,443 ordinary shares and therefore has capacity to issue:

- 38,743,116 equity securities under Listing Rule 7.1 (15% capacity); and
- subject to shareholder approval being sought under Resolution 4 ordinary shares under Listing Rule 7.1A (10% capacity).

The actual number of shares which may be issued under Listing Rule 7.1A (and Listing Rule 7.1) will be a function of the number of shares on issue at the time an issue is proposed as calculated per the formula set out above.

The issue price of the ordinary shares issued under Listing Rule 7.1A will be determined at the time of issue. The minimum price at which the ordinary shares the subject of this Resolution 4 will be issued is 75% of the volume weighted average market (closing) price ("VWAP") of the Company's ordinary shares over the 15 days on which trades in that class were recorded immediately before either:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within 5 ASX trading days of the date in paragraph (a) the date on which the securities are issued.

If this Resolution is approved, and the Company issues ordinary shares under Listing Rule 7.1A, the existing shareholders' voting power in the Company will be diluted. There is a risk that:

- the market price for the Company's ordinary shares may be significantly lower on the issue date than on the date of the approval of this Resolution; and
- the ordinary shares issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to market price for the Company's ordinary shares on the issue date;

which may have an effect on the amount of funds raised by the issue.

The table set out below shows the dilution of existing shareholders on the basis of:

- The current market price of the Company's ordinary shares and the current number of ordinary securities as at the date of this Memorandum.
- Two examples where the number of ordinary shares on issue ("A" in the formula set out above) has increased by: (1) 38,743,116 (being 15% of the number of ordinary shares on issue in the Company); and (2) 100% (i.e a doubling of the number of ordinary shares on issue in the Company). The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require shareholder approval (for example, pro-rata entitlements issues) or as a result of future placements under Listing Rule 7.1 that are approved by shareholders.
- Two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at the date of this Memorandum.

			Dilution		
			50% decrease in issue price	Issue Price **	50% increase in issue price

		Funds raised	\$504,245	\$1,008,491	\$1,512,736

		Funds raised	\$579,209	\$1,158,419	\$1,737,628
	"A" is increased by 100% (i.e. number of shares on issue is doubled from current position) to 516,574,886 shares. **	10% voting dilution	51,657,488 shares	51,657,488 shares	51,657,488 shares
		Funds raised	\$1,007,321	\$2,014,642	\$3,021,963

Notes:

- (i) The table assumes that the Company issues the maximum number of ordinary shares available under Listing Rule 7.1A.
- (ii) The table assumes that no options are exercised in ordinary shares before the date of the issue of ordinary shares under Listing Rule 7.1A.
- (iii) The table does not show an example of dilution that may be caused to a particular shareholder by reason of issues of ordinary shares under Listing Rule 7.1A based on that shareholder's holding at the date of this Memorandum.
- (iv) The table shows the effect of an issue of ordinary shares under Listing Rule 7.1A, not under the Company's 15% placement capacity under Listing Rule 7.1.
 - * Any issue of ordinary shares is required to be made in accordance with the ASX Listing Rules. An issue made other than under the Company 15% capacity (Listing Rule 7.1) or the Company's additional 10% capacity (Listing Rule 7.1A) and not otherwise made under an exception in Listing Rule 7.2 (for example, a pro-rata rights issue) would require shareholder approval.
 - ** Based on closing price of the Company's shares on ASX on 23 September 2013 (3.9 cents).

If this Resolution is approved the Company will have the ability to issue up to 10% of its issued capital without further shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

As at the date of this Memorandum the Company has not formed an intention to offer any ordinary shares under Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of equity securities under Listing Rule 7.1A will depend on the issue price of the ordinary shares which will be determined at the time of issue. In some circumstances the Company may issue ordinary shares under Listing Rule 7.1A for non-cash consideration (for example, in lieu of cash payments to consultants, contractors or vendors). While the Company has not formed an intention to offer any ordinary shares under Listing Rule 7.1A, some of the purposes for which the Company may issue ordinary shares under Listing Rule 7.1A include (but are not limited to):

- Raising funds to be applied to the Company's working capital requirements.
- Acquiring assets. In these circumstances the issue of the ordinary shares may be made in substitution for the Company making a cash payment for the assets. If the Company elects to issue the ordinary shares for the purpose of acquiring assets then the Company will release to the market a valuation of the assets prior to issuing the shares.
- Paying contractors or consultants of the Company.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 and Listing Rule 3.10.5A at the time the issue is made. The identity of the allottees of ordinary shares under Listing Rule 7.1A will be determined at the time the Company decides to make an issue having regard to a number of factors including:

- the capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company;
- the potential effect on the control of the Company;
- the Company's financial situation and the likely future capital requirements; and
- advice from the Company's corporate or financial advisors.

Offers made under Listing Rule 7.1A may be made to parties including professional and sophisticated investors, existing shareholders of the Company, clients of Australian Financial Service License holders and/or their nominees, or any other person to whom the Company is able to make an offer of ordinary shares.

The allocation policy the Company may adopt for a particular issue of ordinary shares under Listing Rule 7.1A and the terms on which those ordinary shares may be offered will depend upon the circumstances existing at the time of the proposed capital raising under Listing Rule 7.1A. Subject to the requirements of the ASX Listing Rules and the Corporations Act, the Directors reserve the right to determine, at the time of any issue of ordinary shares under Listing Rule 7.1A, the allocation policy the Company will adopt for that issue.

The Company did not issue any securities pursuant to Listing Rule 7.1A during the previous year.

This Resolution is a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution.

The Directors of the Company believe that Resolution 4 is in the best interests of the Company and unanimously recommend that shareholders vote in favour of this Resolution.

A voting exclusion statement is set out in the Notice of Meeting.
